Veronica,

I look forward to it! I enjoy working with you and, especially, our chats.
Don't be surprised if you get a pic of the grandkids from time to time. :)

I know, Gerain. I feel sad, too. I'm hoping that once my major projects slow down, I can go back to meeting with you all. You have been great!!

Gerain and team - Due to recent additions to Veronica's workload, she will no longer be part of this particular work flow of bi-weekly meetings with OP. Please remove Veronica from the meeting notices. I have already notified OP.

Veronica – thanks for all your help with our coordination with OP.

Good afternoon,

Since the meeting with OP has been moved to tomorrow and a couple things have happened, I'm providing updated documents.

What happened since 1pm yesterday?

1. OMB has confirmed that they will not review the RMP Delay Rule Vacatur Final Rule, as well as have agreed that we can issue this final rule even though it has not appeared in a Reg Agenda. So we can proceed to signature. Yea!
2. Re the Pharmaceuticals Final Rule, discussion with OMB and interagency reviewers today did not provide any showstoppers. We expect OMB will conclude review soon; not expecting review to go beyond 10/15.

Enjoy!

Subject: OLEM Regulatory and Significant Guidances Information

Hi.

To keep you all informed and prepare those who are meeting with OP tomorrow to discuss the status of our regulations and significant guidances, the following documents are attached.

Updated OLEM Regulatory and Significant Guidance Report
Consolidated Report of the above document—to provide a snapshot
Issues/Concerns/Awareness document

I will ensure ADP Tracker is updated today to reflect the dates within the detailed report.

If you have any questions, please let me know.
